DONKIERIVIER BRUG AMPTELIK INGEWY

Rdl Boet Jaftha sny die lint terwyl die burgemeester, raadsheer Antoinette Steyn, onder-burgemeester, rdl John Levendal en plaaslike inwoners toekyk.

Die voetgangerbrug oor die Donkierivier op Touwsrivier is op Dinsdag, 8 September 2019 op luisterryke wyse amptelik ingewy. Die lint is deur rdl. Boet Jaftha geknip terwyl kleuters van die omgewing onder begeleiding van 'n plaaslike blaasorkes die aanwesiges toegesing het.

Die projek is deel van die Breedevallei Munisipaliteit se RSEP program vir veiliger woonbuurte wat in vennootskap met die provinsiale regering aangebied word. Rdl. Jaftha het Provinsie, plaaslike rolspelers, kontrakteurs en amptenary vir hul bydraes bedank. Die ou, vervalle brug is gevaarlik en gaan vir voetgangerverkeer gesluit word. Addisioneel tot die brug is daar ook 'n voetgangerpad vanaf die Steenvliet woonbuurt tot aan die dorp se kant van die brug gebou.

Die R1,657 miljoen projek, bied vir die inwoners 'n veiliger en geriefliker roete na en van die middedorp. Voetgangers kan nou die Donkierivier, 'n sytak van die Touwsrivier veiliger oorsteek en hoef nie meer in die wintermaande deur modder en in die somer deur stof te loop nie.

INVITATION TO ALL ORGANISATIONS AND BODIES SERVING THE POOR TO APPLY FOR A GRANT-IN-AID IN TERMS OF THE MUNICIPALITY'S GRANTS POLICY.

The Council of the Breede Valley Municipality has adopted a Grants Policy which aims to provide a framework for grants to organisations and bodies serving the poor or used by government as an agency to serve the poor, as envisaged by Section 67 of the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003)

Qualifying organisations or bodies are hereby invited to apply for a grant in accordance with the conditions as contained in the application documents. Said documents will be available, free of charge, as follows :

- at Breede Valley Municipality, Supply Chain Management Unit, Stofberg Huis, 23 Baring Street, Worcester
- at any of the municipal account payment-/administrative offices
- at the reception desk, Municipal Offices, Baring Street 30, Worcester (ms. Hector)
- by e-mail request to rjoseph@bvm.gov.za
- downloaded from the municipal website at ***www.bvm.gov.za***.

Applications must be made on the official application documents which must be submitted as indicated below.

Sealed applications, in envelopes clearly marked on the outside "APPLICATION: GRANT-IN-AID: 2019/20, must be placed in the tender box (green iron tender box in palisade fence) at the Breede Valley Municipal Supply Chain Management Offices, Stofberg Huis, 23 Baring Street, Worcester not later than 11:00 am on FRIDAY 8 NOVEMBER 2019, after which the applications will be opened. An envelope that does not comply with this requirement will not be opened and therefore not be considered. Non-compliance with any of the requirements may lead to the application being rejected.

Late applications will not be considered and the Municipality is not obliged to accept any application. Awards will be made strictly in accordance with the conditions as set out in the Municipal Grants Policy (attached to application form) and as determined by the Grant Adjudication Committee.

More information is available from the Senior Manager: Supply Chain Management during office hours at 23 Baring Street, Worcester or phone number 023 348 2950.

The full policy document is also available on the website (www.bvm.gov.za) of the Municipality under the link "Policies" on the home page.

1820 – 2020

Worcester se tweehonderdjarige bestaan word volgende jaar gevier. Die feesprogram strek vanaf Maandag, 24 Februarie 2020 tot Sondag 1 Maart 2020.

Elke dag van die program het 'n tema met verskeie aktiwiteite. Die temas word ontleen aan die unieke karakter van die dorp. So is Worcester bekend as 'n omgee dorp en 'n tuiste vir gehoor- gesig, fisies en serebraal gestremde persone. Die dorp is 'n opvoedkundige sentrum met verskeie laer en hoërskole asook twee kampusse waar tersiêre opleiding geskied. 'n Ryk kultuur-historiese erfenis en talentvolle kunstenaars onderskei die dorp. Die pragtige natuurskoon – reuse berge, vrugbare valleie en wye vlaktes bekoor en verkwik tegelyk. Sport, ontspanning, spog-fasiliteite en 'n toerisme ervaring wat met die beste kan meeding geniet hoë prioriteit. Godsdiens, met verskeie denominasies wat ook 'n kerk vir gehoorgestremde lidmate insluit gee rigting en spreek die geestelike behoefte aan.

Die program en temas is nog nie gefinaliseer nie en sal die publiek op hoogte van enige veranderings gehou word. Daar is min dorpe in die land wat kan spog met Worcester se status van tweehonderd jaar van uitnemendheid. Voorwaar iets om te vier en baie trots op te wees. Die Feeskomitee het al twee werkswinkels gehou en werk baie hard om alles in plek te kry vir hierdie unieke gemeenskapsfees.

1820 2020 200 YEARS WORCESTER
Celebrating our Abilities

Worcester's bi-centennial is celebrated at the end of February 2020 with a diverse program drawn from Worcester's unique character and rich cultural heritage.

The programme hasn't been finalised yet, but the community will be kept up to date. There are not many towns in the country which can boast two hundred years of excellence. This is definately something to celebrate and be proud of. The Festival committee has had two workshops already and is working very hard arranging this unique community festival.
