## METERLESERS BELANGRIKE SKAKEL IN INKOMSTE KETTING

In die koue, in die hitte, reën of sonskyn is hulle daar om die gemeenskap van die Breedevallei se water- en elektrisiteitmeters te lees. Hulle vervul 'n baie belangrike taak in soms uiters moeilike omstandighede. Water en elektrisiteitsverkope vorm 'n groot deel van die munisipaliteit se inkomste en dit is belangrik dat die lesings waarop die inkomste betaal word so gereeld en korrek moontlik gelees en deurgegee word sodat dienslewering kan geskied.

### Uitdagings vir meterlesers

- Ontoeganklikheid van persele.
- Watermeters wat deur grond, klippe, plantegroei versteek word.
- Kwaai honde.
- Mense wat nie hul samewerking gee nie.

### Wenke

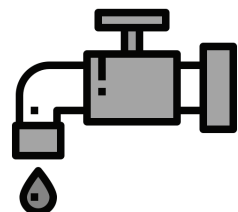

- Eienaars van ontoeganklike erwe moet hul meterinligting aan die munisipaliteit deur bel, e-pos of in die register

by die munisipale betaalkantoor te Baringstraat aanteken.

- Maak asb. u meters bereikbaar en sigbaar.
- Verseker asb. dat kwaai honde afgekamp of vasgemaak is.
- Meterlesers het 'n wettige mandaat om hul werk te doen. Indien u twyfel kan u vra dat ID kaart van munisipaliteit getoon word.

### Dankie

Die BVM meterlesers sê baie dankie aan almal in die Breedevallei wat hul werk 'n aangename ondervinding maak.
