Algemene Waardasies 2021 - 2026

Die nuwe algemene waardasierol vir Breedevallei Munisipaliteit is afgehandel en deur die Munisipale Bestuurder gesertifiseer. Hierdie waardasies sal die basis wees vir u belasting heffings vanaf 1 Julie 2021.

Die waardasierol is die amptelike register met die waarde van alle belasbare eiendomme in die jurisdiksie van die Munisipaliteit. In terme van die Munisipale Eiendomsbelasting Wet, 2004 (Wet nr. 6 van 2004) is die waardasierol geldig vir vyf (5) jaar, maar kan verleng word met spesiale toestemming deur die Provinsiale Regering. Die datum van waardasie is soos op 1 Julie 2020 bepaal en is van krag vir die tydperk waarvoor die waardasierol saamgestel is, na gelang van die gebruik van die eiendom. 'n Amptelike kennisgewing met die waardasie besonderhede sal aan elke eienaar van eiendom wat gewaardeer is, gestuur word.

Besware teen Waardasies

Enige persoon mag teen die waardasie van 'n spesifieke individuele eiendom op die waardasierol beswaar aanteken. Die indiening van 'n beswaar verleen nie uitstel van die verpligting om belasting te betaal op die datum waarop belasting betaalbaar is nie.

Waardasie

Die waardasie is bepaal deur die markwaarde van eiendom. Dit is die bedrag wat 'n eiendom in die ope mark sou behaal op die datum van waardasie (1 Julie 2020) deur 'n gewillige verkoper aan 'n gewillige koper. Die totale eiendomme wat gewaardeer is, is ongeveer 29077 en sluit alle eiendomme (bv. landbou, residensieël, kommersieël en ander eiendomme) in. Eiendomsbelasting sal bereken word op die nuwe waardasie vanaf 1 Julie 2021. Aanvullende waardasies (bv. eiendomme wat onderverdeel of gekonsolideer is, nuwe erwe, aanbouings, slopings, wetgewing oor grondgebruik) sal ten minste eenkeer per jaar op 'n eiendom uitgevoer word om die Algemene Waardasierol aan te vul. Die eiendomme wat op die aanvullende waardasierol gewaardeer word sal op die dieselfde markwaarde (1 Julie 2020) gewaardeer word as die eiendomme op die algemene waardasierol.

Die proses hiervandaan

- Eienaar/s aanvaar die nuwe waardasie – geen beswaar.
- Eienaar/s teken beswaar aan teen die waardasie van 'n eiendom (markwaarde soos op 1 Julie 2020), wanneer dit vir hom/haar te hoog of te laag is. In hierdie geval moet amptelike beswaarvorms (beskikbaar by die munisipale kantore en biblioteke) ingevul en in die tenderbus geplaas word. Besware kan ook elektronies by valuations@bvm.gov.za ingedien word. Om u waardasie te toets kan u uself afvra of u bereid is om u eiendom te koop/verkoop teen die

General Valuation Roll 2021 – 2026

The new Valuation Roll for Breede Valley Municipality was completed and certified by the Municipal Manager. These valuations will be used as basis for the property rates from 1 July 2021.

The Valuation Roll is the official record of the value of all ratable properties within the jurisdiction of our Municipality. In terms of the Local Government Municipal Property Rates Act, 2004 (Act No 6 of 2004), the Valuation Roll is valid for five (5) years but can be extended with special consent of the Provincial Government. The valuation date is 1 July 2020 and will be fixed for the period that the Valuation Roll is valid. A notice will be sent to the owner of every property that was valued, according to the use of the property.

Objections to valuation roll

Any person may object to the valuation of a specific individual property on the Valuation Roll. An objection or appeal does not defer the liability for the payment of rates on due date.

Valuation

The valuation was determined through the market value of the property. It is the amount the property would have been sold for on the date of valuation (1 July 2020) in the open market by a willing seller to a willing buyer. The total properties valued are about 29 077 and include agricultural, residential, commercial and other properties. Property rates will be calculated on the new valuation from (1 July 2021). Supplementary valuations (e.g. properties that are subdivided and consolidated, new properties, demolition, category changes) will be performed at least once a year to supplement the Valuation Roll with new properties or changes to properties and will be valued on the fixed date of 1 July 2020 to ensure that properties are valued on the same basis.

The process from here

- Owner/s accepts the new valuation: no objection.
- Owner/s objects against the valuation of a property (market value as at 1 July 2020), if it is too high or too low: In this case an objection form must be completed and be placed in the sealed box which will be available at the municipal offices and libraries or objection can be submitted electronically to valuations@bvm.gov.za. The question one can ask to test the new valuation, "Am I prepared to sell my house at the market price as determined?"
- If the objection against the valuation is rejected, then the owner can appeal
